

Artia Ltd is a privately owned commercial company founded by Greek and Greek-Australians with proven professional backgrounds.

Our Business We promote and supply exceptional decorative creations, one-of-a-kind items, business gifts, jewelry and accessories of high quality and aesthetic appeal.

ARTIA Ltd

Our Vision is to become the reference point where new decorative creations meet the international market. We constantly search for talented artists and craftsmen who create outstanding handcrafted jewelry, gifts, awards, one-of-a-kind manuscripts, and other special products. Our aim is to promote our collection internationally .

We address people seeking distinctive and elegantly designed handcrafted products reflecting quality, personality and taste.

Our collection consists of a wide range of wall, tabletop and free standing decorative products such as vases, candlesticks, platters, sculptures, wreaths, boxes, worry beads, manuscripts, games, serving sets, wall frames, oil lamps, jewelry and much more.

Our product portfolio includes classic, contemporary and modern forms of realistic and abstract patterns. We accommodate even the most demanding requests with solutions suitable for all spaces including homes, offices, shop display windows, businesses, hotel receptions and lobbies and corporate premises.

ARTIA Ltd

Business Gifts We are dedicated to provide excellent service to our business customers, exceptional custom made products, reasonable prices and flexibility. We seek to support effectively our customer's public relations and promotional activities by offering them business gifts and awards according to their needs and profile.

We assist interior designers and architects by delivering tailor made ideas. Projects even include composition sizes of up to 5-6 meters.

Our proposal We promote and export our products to importers, distributors, resellers, decor shops, depots, dealers and interior designers/ decorators in order to reinforce their sales activities.

For our resellers we provide:

- a diversified products portfolio that strengthens the competitive advantage
- access to hundreds of wonderful products made by artists/crafters through a single source
- products of aesthetic appeal welcome to many cultures
- competitive prices and substantial profitability
- customer portfolio improvement
- efficient and reliable collaboration

Our **Wholesale Price Catalogue** is available upon request.
